RESEARCH EXPERIENCE

World Bank January-June 2024
WBG-Africa Fellow, Education Global Practice *Washington, DC*

Federal Reserve Bank of Minneapolis Summer 2023
AEA Research Analyst, Opportunity and Inclusive Growth Institute *Minneapolis, MN*

- Conducted independent research on structural transformation and economic growth in Mauritius and Senegal under the supervision of Illenin Kondo
- Presented research design and findings to a panel of economists at the institute

International Monetary Fund June - December 2021
Research Intern, Fund Internship Program (FIP), African Department *Remote/ Washington, DC*

- Conducted econometric research on the disproportionate impact of the COVID-19 pandemic on women in Southern Africa
- Managed collaboration among diverse country teams and external partners for successful project completion
- Collected and analyzed five different micro and macro datasets to produce stylized facts on the Southern African countries' gender disparities using Stata and Excel
- Co-authored forthcoming IMF Working Paper highlighting gender disparities, pandemic impacts, and policy solutions for Southern African economic recovery

Urban Institute Summer 2020
Research Intern, Center on International Development and Governance *Remote/ Washington, DC*

- Supported a Kenya case study on revenue distribution, identifying budget execution delays between national and local governments
- Assessed Kenya's fiscal policy and revenue data to create a revenue forecast model, enabling equitable revenue-sharing and timely fiscal planning
- Researched barriers to rural electrification policy implementation to inform Gates Foundation African Agriculture team's policy resources

Ministry of Economy and Finance Summer 2017
Research Intern *Dakar, Senegal*

- Researched factors influencing industrial productivity in Senegal and advised on strategies to boost productivity for the government's development plan
- Delivered results and recommendations to department leaders for use in further research on diverse economic aspects
